“ Dan Gundlach lit a candle in memory of William Johnson Dan Gundlach - March 29, 2018 at 08:04 PM Bill, I learned of your passing today. My dear old friend, we shared a lot of fun together many years ago, although it doesn't seem that far back in time. As young men, we had many good times, as well as others that were maybe, not so fun; such as life. I've always been content in knowing you met the love of your life, Cindy, in your journeys west. And, I have thought of you often over the years and regret not staying on closer touch throughout. My fault probably. You were an excellent friend, and I will miss you greatly in knowing you have moved on. Until we meet again, may you always be blessed. Godspeed old friend and peace.
